This Invitation for Tender follows the General information about procurement under DemoUkrainaDH, available on <http://www.demo-dh.org.ua/en/procurement.html>.

### ***Purchaser:***

Municipal Commercial DH Company «Donetskgorteploset» of Donetsk City Council

Address: 83001, Donetsk, Postysheva str. 68, Ukraine

Reg. no. 33257089

The project organisation during the tender period will consist of employees from the Purchaser assisted by consultants from ÅF-Industry AB, Sweden.

### ***Project:***

The Purchaser wishes to rehabilitate and modernise one of the micro district heating systems in Donetsk. The project includes renovation of a boiler house with a total heating capacity of 4 MW gas boilers, which is the subject of this tender. The main part of the Scope of Supply is:

1. Two (2) 1,7 MW gas boilers with burners
2. Two (2) 0,3 MW gas steam boilers (steam capacity 0,44 t/h) with burners
3. Two (2) distribution pump units with accessories
4. Heat Pumps with total heating capacity 111 kW
5. Water treatment equipment
6. Remote control system

### ***Tendering and Contracting Procedures:***

The Purchaser intends using proceeds of a loan from Nordic Environment Finance Corporation (NEFCO) and a grant from Swedish Development Cooperation Agency (Sida), administered by NEFCO, for eligible payments under the contract for which this tender is made.

The Purchaser now invites sealed tenders from contractors for the following contract to be funded from part of the proceeds of the loan and the grant.

The contract will be a Supply and Install contract based on Orgalime SE 01 comprising: detailed design, delivery, installation, commissioning, issuing of necessary documents, approval of equipment in operation by the Purchaser and Ukrainian authorities to a fully

operational state within the delivery limit(s). The project implementation period is 15 April to 15 September 2014. Please note that installation works should be carried out in an operational boiler house with an outage of maximum 15 days for steam and DHW.

The tendering procedure and the contract will be subject to NEFCO's Procurement Guidelines, which follow internationally recognised practices applied by International Financial Institutions (IFIs). The tender is open to firms from any country, provided that the firm is not ineligible or prohibited from bidding under national or international law.

The tender evaluation will in addition to the tender price include assessment of the offered plant and equipment and compliance with the DemoUkraineDH objectives as a demonstration project.

***Contact person:***

Request the complete tender dossier from the Purchaser at the following address:
